Attendance:

Lock-In

The date that we had scheduled for the lock-in is no longer available to us. So unless we want to try and find another date--which we know is hard to fit in our busy schedules--it looks like the lock-in has been canceled :-/

Thanks to everyone who signed up to help organize the lock-in--maybe next year! :)

Hiawathaland

Thanks to everyone that helped volunteer this weekend! I know it was greatly appreciated!

Congratulations to everyone that competed!

JB Shirts/Apparel

Abby/Holly went to Superior Screeners and got some estimates for the Junior Board shirts. The estimated cost is about 15-16 dollars I believe. (Abby/Holly-any more details?)

If you could please e-mail me with a shirt size, we can start figuring out the orders, the sooner the better!

Clean-up

Sign-up half way through the clean-up not at the beginning

Etiquette (Kari) propose to the Board. It was approve and was nicely laminated and is already hanging up in the locker-room. Thanks Kari!

PLEASE start to pick up things off the floor in the locker-room. After this weekend it is a disaster in there-and most of it should be picked up off the floor before the next clean-up.

The next meeting is on Sunday, February 21 at 12:30 (Kari-you thought it was the 20th...maybe you will be back?)

Clean up is following the meeting at 2:00 -poster needs to go up

March meeting: Saturday, March 13 at 2:45 and a clean up at 4:00 following the meeting

Thanks!

Kelsey
