**THE OLIVIA CLARK FUND**

In memory of Olivia Clark, a skating camp & scholarship fund have been established. **Camp Olivia** provides a fun, interactive camp for skaters and **The Olivia Clark Scholarship Fund** provides financial assistance to skaters in need.

**CAMP INFORMATION**

The Olivia camp is open to all skaters from the Basic Four through the Pre-Preliminary levels, who are 13 years old or younger. The camp will feature 8 hours of skating, group skating lessons, 3 hours of off-ice activities (please bring a white T-shirt), a one-hour exhibition (to both perform and watch), and a pizza party. Each skater will be taught three programs, a one minute solo, a small group number, and a number including all the camp attendees. Performing is optional, and no skater will be forced to skate in a number. Skaters will learn as they have fun, and meet other skaters in a more social setting. Come join us in a fun, affordable end to the summer!
