I intend to try out for the following team:

**Intermediate** Skaters must be under 18 years old as of 7-1-10. Minimum requirement is passed Juvenile MIF. Skaters who have passed the Intermediate MIF level or higher will have the best chance of making the team.

**Open Juvenile** No age requirement. Minimum requirement: passed Pre-Preliminary MIF. Skaters who have passed the Preliminary MIF level or higher will have the best chance of making this team.

**Juvenile team.** Skaters must be under age 13 as of 7-1-10. Skaters will need to pass Preliminary MIF by 12-1-10.

**All skaters participating in tryouts:** If you are currently participating in synchronized skating there will be no additional charge for tryouts, however, your synchronized charges continue as usual. Temporary changes in our skating schedule, due to the loss of the South rink for maintenance, will be reflected in adjusted charges on your regular bill. For all other skaters trying out for the above levels a charge of \$40.00 will be added to your bill.

**Please return this form to the RFSC office by Saturday April 17th**

**Other skaters:**

At this point we expect to have one additional team besides the three named above. Most likely, this would be a Beginner level team. However, if there is enough interest, we would have two additional teams. One of these teams would most likely be a Pre Juvenile level team. Please indicate below your interest in being part of this team or teams for the 2010-2011 season by checking the line below and **return this form by Saturday May 8<sup>th</sup>.**

**Beginner.** There will be no tryout for this team. We would like skaters to be passed at least Basic 7.

**Pre-Juvenile team.** No age requirement, however the majority of this team must be under age 12. There is no minimum MIF requirement. Skaters who have passed the Pre-Preliminary MIF level or higher and do not intend to try out for another team may belong here.
